

The **Event Scheduling System** is a comprehensive venue and event management solution for organizations of all sizes, from small- and medium-sized establishments to large enterprise systems. This powerful and easy-to-use scheduling tool allows you, the Site Administrator, to securely manage, actively track and accurately report any of your organization's events, resulting in increased event attendance, more successful marketing strategies, improved staff productivity and increased event response.

Use the Event Scheduling System to schedule rooms and other physical resources efficiently without double-booking, manage meetings and events, display online calendars, schedule services like catering or salon appointments, handle the billing details for each event, and much more.

Event Scheduling System v4.0 has been created to offer a fully configurable, feature-rich solution for site visitors, clients and service professionals. It has been designed to be intuitive and easy to use, even for the novice Web user, saving you hours of time and giving you more control over online registration and attendee management.

Event Scheduling System v4.0 Main Features

Online Event Payments: Accept credit card payments easily through the built-in Online Payment Process

Visitor Self Booking: A site visitor can book their own appointments and select the service, location and service professional they would like to book

The screenshot shows the Event Scheduling System v4.0 interface. At the top, there are navigation links: "Make a booking", "Basket", "Login", and "Sign up". Below this, there are dropdown menus for "Services" (Basic Spa Package), "Locations" (Sto. Domingo), and "Professionals" (Stephen Gramercy). A "Get Calendar" button is also present. A green banner indicates "Reservation Added" and states "You have 3 items in your basket". Below this, there are navigation options for "VIEW IN INTERVALS OF : 15 MIN, 30 MIN, 1 HOUR" and "PREVIOUS MONTH | NEXT MONTH". The main feature is a "WEEKLY SCHEDULE WEEK OF OCTOBER 22 - 28" calendar. The calendar has columns for SUNDAY, MONDAY, TUESDAY, WEDNESDAY, THURSDAY, FRIDAY, and SATURDAY, and rows for times from 7:00 AM to 8:00 PM. Reservations are shown as "Reserve(1)" and "Booked" (in red).
